

## **2018 KC East Lions Boys Soccer Registration Costs**

This season we are planning to make a few changes to our cost structure. Careful planning has gone into this to be as fiscally responsible as possible and provide great value to our families. The biggest change is that we will not be collecting gate fees at regular season home games. This will push our registration fee higher, but the total amount paid by each athlete will not increase significantly. We will also provide socks as a part of the registration cost instead of collecting money separately. Finally, players offered a roster spot on the Varsity team will have an additional fee which will cover the additional games and tournament registrations (including St. Louis, Columbia, and Nationals).

### **Boys Soccer Junior High Registration: \$160 (or 3 monthly installments of \$53.33)**

- Includes approximately 30 practices including the summer workouts.
- Includes approximately 10-12 games.
- Compared to 2017 price: Overall price has gone down. Registration is the same price as last year's registration + required socks, but there will be no regular season home gate fees.

### **Boys Soccer High School Registration: \$300 (or 3 monthly installments of \$100)**

- Includes approximately 30 practices including the summer workouts.
- Includes approximately 12-15 games for all high school players.
- Compared to 2017 price: Overall price within \$20 of last year factoring in last year's home gate fees.

### **Varsity Additional Charge: \$100**

- During July, high school players will be evaluated and 16-18 players will be offered roster spots on the Varsity team. If accepted, these players will be responsible for a \$100 additional fee to cover the costs of out of town tournament registration and additional regular season home games.
- Includes additional regular season games and 3-4 tournaments.
- Compared to 2017 price: Overall price within \$20 of last year factoring in the additional home games and tournament cost share (which we collected separately last season).

As stated above, we strive to keep the costs as low as possible for our players. As the local soccer clubs are releasing their pricing for 2018-2019, high school players participating in winter off season training and the spring season are being charged \$1,100-\$1,400 and being required to purchase uniforms separately. For additional comparisons, Boost Soccer Camp offers six 90-minute sessions for \$140.

Thank you to all our volunteers and sponsors for your and generosity to provide an affordable and wonderful opportunity for the homeschool community!

### Preliminary Varsity Game Dates

Thurs-Sat, Aug 9-11	KC Kickoff Challenge Tournament (3 Games)
Fri-Sat, Aug 17-18	Beat the Heat Tournament (3 Games in St. Louis)
Monday, Aug 27	Whitefield
